

## Waiving Access to Confidential Recommendations

Please EMAIL or give this form to your recommender to include with their emailed letter or form of recommendation.

### THIS SECTION IS TO BE READ AND COMPLETED BY APPLICANT

The Family Educational Rights and Privacy Act (FERPA) gives students the right to inspect recommendations written in support of their application for admission and/or financial assistance. The law also permits students to expressly waive the right to access and inspect recommendations submitted on their behalf. However, the waiver is voluntary and cannot be a condition of admission, award, or employment.

Please complete the information below and submit it to your recommender upon requesting a letter or rating form of recommendation. If your recommender does not submit a completed waiver form with the recommendation, **it is assumed that you elected to not waive your right to access the recommendation.**
