

# CERTIFICATE OF ADVANCED PROFESSIONAL DEVELOPMENT LESSON STUDY FACILITATION

The Certificate of Advanced Professional Development course series is designed to create a Personalized Learning Experience **(PLE)** for Facilitators in Training **(FIT)** centered around their personal preparation for Lesson Study **(LS)** group facilitation of the Next Generation Science Standards **(NGSS)** in the K-12 classroom.

## WHO SHOULD TAKE THIS COURSE?

Any science teachers, TOSA's, Office of Education staff, and/or education leaders who would like to utilize lesson study to develop professional learning communities and/or run professional development at their site and/or district. Open to anyone in California.

## REQUIREMENTS

The Certificate of Advanced Professional Advancement in Lesson Study Facilitation requires completion of an apprenticeship model online 3 course series (120 hours total).

**Introduction to Lesson Study Facilitation**  
*Preparation*

**Lesson Study Facilitation**  
*Implementation*

**Lesson Study Facilitation**  
*Data and Reflection*

## GOALS

To prepare a group of highly qualified facilitators statewide in how to run their own lesson study teams for their school sites and/or districts providing access and equity for ALL teachers across the state no matter location which, in turn, will provide quality NGSS aligned lessons to ALL students.

“

*In an ever-changing world where classrooms are evolving, new instructional tools are emerging, student demographics are changing, and community contexts matter more than ever, we must think... about how to make the learning experiences of teachers more grounded in their classrooms practice and steeped in active inquiry and improvement cycles.*

- Rasberry, Weber, and Wilson, 2019

”
