3) MAIL ALL OFFICIAL TRANSCRIPTS BY DEADLINES

Official (or certified) copies of ALL transcripts from ALL colleges that you have previously attended, regardless of whether or not the credits earned transferred to another institution or may not be transferable to CSUN.

Transcripts must be in the original sealed envelope from the institution. Opened or unofficial transcripts are not accepted. If you have attended CSUN previously, you do not need to request your CSUN transcripts, or transcripts received by CSUN when you initially attended. We may access your records.

If you attended an institution outside of the United States where English was not the principal language of instruction, you must submit original or certified copies of all official academic records in the original language of issue, official English translations of all academic records, and your English Proficiency score. *F-1 Visa applicants must also submit an Affidavit of Financial Support, current bank statement, and a copy of your passport information page. *Applicants to cohorts that meet in-person ONLY. Applicants to fully-online programs are not eligible for an F-1 Visa.

All transcripts must be received by the deadlines listed in order to determine if you meet the university’s minimum admission requirements:

Preliminary official transcripts from all colleges ever attended, including any colleges in which you are currently enrolled showing any coursework that is in progress.

➢ Spring 2016 Admission: Must be received no later than Monday, November 1, 2015. Note: Winter 2016 coursework in progress will not be considered.

Final official transcripts from all colleges ever attended showing all courses completed with all grades posted.

➢ Spring 2016 Admission: Must be received no later than Monday, January 11, 2016.

IMPORTANT!

DO NOT mail transcripts until AFTER you submit your online application. Otherwise, we will not have a record of you as an applicant and your transcripts cannot be processed and evaluated.
DO NOT mail or electronically transmit official transcripts to CSUN’s Office of Admissions & Records. We cannot access transcripts sent to that office for up to three months. This will prevent us from being able to review your application in a timely manner and consider you for admission.
